

KCB Loan Manager

Manual

Welcome to KCB Loan Manager, your comprehensive solution for managing all your loans and tracking payments efficiently. Whether you have multiple loans or just one, our application simplifies the process, ensuring you stay on top of your financial commitments.

Features:

1. Create Loan:

Easily add new loans to your account, specifying details such as loan amount, interest rate, term, and payment frequency.

2. Make Payment:

Seamlessly record payments against your loans, keeping your balances accurate and up to date.

3. Generate Amortization Table:

Access detailed amortization schedules for each of your loans, helping you understand how payments are allocated towards interest and principal over time.

4. Compile Loan Report:

Compile comprehensive reports summarizing all your loans, including outstanding balances, payment history, and interest accrued.

Installation:

KCB Loan Manager is a web-based application accessible through your browser. Simply visit the URL of the application to get started.

Usage:

Account Setup:

Begin by creating an account if you're a new user or log in if you're an existing user.

Create Loan:

Once logged in, navigate to the "Create Loan" section to add new loans to your account. Enter relevant details such as loan amount, interest rate, term, and payment frequency.

Make Payment:

Record payments against your loans in the "Make Payment" section. Specify the amount paid and the date of payment to keep your balances accurate.

Access Amortization Table:

View detailed amortization tables for each loan in the "Amortization Table" section. Understand how each payment contributes to reducing your loan balance over time.

Compile Loan Report:

Generate comprehensive reports summarizing all your loans in the "Loan Report" section. Gain insights into your overall financial status, outstanding balances, and payment history.

For additional features and functionalities, explore the application and let your imagination guide you towards optimizing your loan management experience.

Thank you for choosing KCB Loan Manager for your financial needs. We're committed to providing you with a seamless and efficient loan management solution. If you have any questions or feedback, please don't hesitate to reach out to our support team.
